

HANOVER®

Electric Halogen Infrared Heat Lamp

with Remote Control

When choosing an outdoor heating system or garage heater, consider Hanover's line of electric infrared heaters. Hanover's 16.7-inch modern electric infrared heater features one heat setting that is operated by a handy remote control, conveniently included with the heater. Easy to assemble, this model is hung from the ceiling for seamless integration into your outdoor entertainment space. Use this versatile heater for your patio, porch, balcony, garage, workshop, and more!

Similar to sunshine, infrared heat is a radiant heat that warms a person or an object directly, rather than heating the air in-between. Infrared heat can be felt instantly as soon as you turn it on – no waiting for it to “warm up”.

HEATER FEATURES

- *Heats an area up to 56 sq. ft.*
- *Use for patio, porch, balcony, garage or workshop*
- *Modern design with sleek finish*
- *Instant heat with no warm-up time*
- *Remote control included*
