

HANOVER®

Electric Halogen Infrared Heat Lamp

with Remote Control

When choosing an outdoor heating system or garage heater, consider Hanover's line of electric infrared heaters. Hanover's 7.8-inch modern electric infrared heater features one heat setting that is operated by a handy remote control, conveniently included with the heater. Easy to assemble, this model is a standing heater that allows for a seamless integration into your outdoor entertainment space. Use this versatile heater for your patio, porch, balcony, garage, workshop, and more!

Similar to sunshine, infrared heat is a radiant heat that warms a person or an object directly, rather than heating the air in-between. Infrared heat can be felt instantly as soon as you turn it on – no waiting for it to “warm up”.

HEATER FEATURES

- Heats an area up to 44 sq. ft.
- Use for patio, porch, balcony, garage or workshop
- Modern design with sleek finish
- Instant heat with no warm-up time
- Remote control included
