

Bicycle Storage Shed w/ Twist Lock

Store and protect up to four adult-size bikes with Hanover's backyard Bicycle Storage Shed.

Constructed from galvanized steel, this strong, durable shed is resistant to rust, corrosion, and UV rays offering your bikes year-round protection from the elements.

The sloped roof allows quick water runoff during rainstorms, keeping your bicycles dry. Front double-doors open fully to allow easy access and are secured with a twist-lock and key. For all your outdoor storage needs, depend on quality products from Hanover.

Features

- Accommodates 4 bikes up to 78.4 inches long and 43.3 inches tall
- Includes 4 adjustable bike tracks to store most bicycles and keep the shed level and secure
- Hinged, double-doors provide front access and are secured with a twist-lock and key
- Door opening is 66 inches wide by 53 inches tall to easily remove and replace bikes
- Sloped roof allows quick water runoff during rainstorms
- 2 vents (one on each side) provide adequate airflow
- 2-person assembly required - instructions and hardware included
- NOTE: Concrete slab or treated timber foundation is strongly recommended
