MINI PYRAMID TABLETOP HEATERS

Enhance your outdoor dining or lounging area with Hanover's delightful Mini Pyramid tabletop heaters. Approximately 34 inches tall with a 3-ft. to 4.5-ft. heat radius, our Mini Pyramid liquid propane patio heater emits a warm, radiant glow creating beautiful ambiance in any outdoor setting. Place it in the middle of your outdoor dining, coffee or end table to add that special touch to any occasion. Highly portable it can easily be moved from one table to another or better yet, buy two! Your Mini Pyramid tabletop heater arrives with a pre-assembled one-piece frame for quick and easy 10-minute setup.
