

33-inch Stainless Steel Single Sink

Sinks are the centerpiece of every kitchen so you want them to look great without sacrificing quality and durability. This 33-inch stainless steel single bowl sink from Hanover gives the best of both worlds with a thick, 16-gauge steel construction coated with an oil-free layer that prevents staining, rust, and corrosion. Designed with an insulated outer pad and an undercoating to minimize noise, this model features a rounded apron for a sleek look.

An included wire rack improves your washing experience by reducing dish noise and promoting better draining while preventing scratches and preserving the life of the stainless steel sink. Upgrade your kitchen with the sleek look of a long-lasting Hanover sink.
