

3' x 3' x 6' Patio Storage Shed

Store and protect your garden supplies in this strong and durable patio storage shed by Hanover.

With 6 square feet of internal floor space, this compact shed is constructed with powder-coated, galvanized steel which is resistant to rust, corrosion, and UV rays. Two tool racks provide elevated storage options to maximize space. The single door opens fully to allow easy access and is secured with a twist-lock and key.

For all your outdoor storage needs, depend on quality products from Hanover.
