Marin Side Table with Resin Inlay

Add artistic elegance to your home with Hanover's beautifully designed and handcrafted Marin side table. This mid-century modern accent piece is crafted from sustainable mango wood, then finished with a floral resin inlay on the two drawer fronts. Two golden drawer pulls and four sturdy retro spindle legs complete the look. Beautiful and unique, this durable side table is perfectly sized for your bedroom, living room, or entryway.

Place one alongside your comfiest chair, then stash your reading glasses, snacks, magazines, or latest novel in the convenient storage drawers – ready when you are to relax and enjoy. Display one of our stylish lamps or your favorite decoration on the tabletop (Hanover Lighting sold separately). Better yet, purchase two side tables to flank a bed or a sofa.
