

Standing Desks for Children

It's time to take a stand against restless legs with Hanover's sit or stand desk designed practically for children. This colorful standing desk is the perfect solution for kids who need to move while learning. The effortless height adjustment and spacious desktop provide a safe area for your child to learn and craft while still having the ability to be active.

A convenient bag hook is located on the column, so the desk is able to stay organized. Prioritize your child's learning while accommodating their need to move with Hanover's standing desk series.
