

The Madrid Collection

Ease into luxury comfort with the Madrid 4-piece patio chat set by Hanover. This collection includes everything you need to create an outdoor retreat in the comfort of your own backyard. One deep-seating loveseat, two swivel rocker armchairs, and a glass top coffee table are all included in this charming set. Each piece is constructed with all-weather synthetic wicker strapping and is hand-woven on top of durable aluminum frames. Each swivel glider provides a 360-degree spin and smooth gliding motion as you sit back and relax. The soft polyester fabric, used on all cushions and pillows, adds a hint of interior luxury that will greet guests with a preview of your personal style and hospitality. The thick foam cushions ensure maximum comfort while maintaining their original full shape. The coordinating coffee table rounds out the collection with matching wicker accents, handy lower shelf and brown-tinted glass insert. All materials are treated to resist weather, rust and UV fading throughout the year. Designed to last, this chat set will provide you and your guests with the ultimate conversation and relaxation area to complete your backyard oasis.
