

The **Mercer** Collection

With the **Mercer Dining Collection** you can treat your family and friends to a fine-dining experience in the comfort of your own backyard. This striking collection is carefully constructed with weather-protected frames and handwoven resin details. The rich, two-tone resin is braided across the back of each chair, creating a lavish texture with a tropical vibe. Whether you're looking for a square or rectangular table, a cast or glass top, the Mercer Collection includes a variety of options to choose from.

Swivel-action rockers are available as an alternative to the traditional dining chair. These rockers perform a smooth, 360-degree spin and gentle rocking motion throughout the meal. Plush seat cushions are provided with each chair. They are available in three color options and offer additional comfort to your guests while you entertain them in style.
