

HANOVER®

THE SENECA CHAT COLLECTION

SENECA CHAT COLLECTION:

Capture the style and comfort of the Seneca Chat Set by Hanover Outdoor. This set includes two woven lounge chairs, two hide-away ottomans and a fluted-barrel table that offer an elegant twist on wicker patio furniture. Its beachy weave omits a cool coastal vibe and is hand-woven using two-tone resin that easily compliments other decor. The table features a tempered glass-top that is perfect for resting a book or beverage on. Its flute-barrel shape adds extra appeal and convenience to the set. Each chair features a solid curved frame that gracefully wraps around the arms, back and seat. Surprise your guests with additional comfort as you extract the hide-away ottoman from the chair. Perfect for small spaces, this functional design allows you to tuck the ottomans back under the chair when not in use. The entire set requires very little maintenance, ships fully assembled, and creates a serene conversation area for catching up with a loved one.
