

HANOVER®

THE STRATHMERE DINING COLLECTION

STRATHMERE DINING COLLECTION:

Add a pop of color to your outdoor setting with the Strathmere Dining Collection. Each item is hand-crafted using all-weather resin on top of heavy-gauge steel frames that resist rust and requires little maintenance. The swivel rockers offer your guests full seat rotation and a gentle rocking performance as they dine. Plush seat cushions and accent lumbar pillows are included with each chair and contrast beautifully against the dark brown resin frame. These foam cushions are wrapped in premium outdoor fabric that is soft to the touch, dries quickly and maintains its plush original shape.

Each dining table features a smoked, tempered glass top and offers plenty of room for an alfresco meal with your loved ones. As you plan on expanding your outdoor dining room, lean towards Hanover Outdoor for the comfort, style and durability you can count on year after year.
