GN 30 E

Gooseneck Module

Description

378 mm (16.3 in.) long gooseneck module with integrated XLR phantom power adapter. A light ring, working on phantom power, is integrated to enable the sound engineer to check system cabling by sight. This ring can be also switched off.

A bass roll off is included in the phantom power adapter (DPA). The required phantom power is 9–52 V. Colour: grey.

Specifications

Powering:	9 to 52 volts phantom power
Phantom Power Adaptor (DPA):	Integrated
Connector:	3-pin XLR type
Cable Length:	none
Finish:	dark grey matte
Size:	378 mm (16.3 in.) length
Mounting:	screw on (screw included)
Special Features/Applications:	modular microphone system for conferencing, theatres, houses of worships and many other facilities
Fitting Mounting Modules:	CK 31, CK 32, CK 33, CK 47, CK 80
Included Accessories:	PS 3 F lock lockable panelmount XLR socket
Optional Accessories:	B 18 battery power supply, N 62 E, N 66 E AC power sup., PS 3 F-lock panel mount socket, H 600 + A 608 shock mount, SA 40, SA 50 stand adapters, SA 80 clamp, ST 1, ST 5/3, ST 45, ST 46 table stands

Features

- Fitting 5 different capsule modules
- Integrated switchable LED indication
- Integrated bass roll off
- Rugged design
- Non reflective grey colour

Architect's and Engineer's Specifications

The mounting module should have a length of 378 mm (16.3 in.) and include a flexible part. A light ring shall be included, powered by phantom power, but with the possibility to be deactivated. The power module shall include a jumper for low frequency roll off and shall

terminate a 3-pin XLRM-type output connector. The colour shall be non reflective grey. The gooseneck module shall be the AKG Acoustics GN 30 E.

Graphical Data

AKG is constantly improving and modifying its products, therefore, specifications are subject to change without notice.

Limited Warranty

Valid only in the United States. AKG Acoustics warrants AKG products against defects in material or workmanship for a period of one year from the date of original purchase for use, and agrees to repair or, at our option, replace any defective unit without charge for either parts or labor. Important: This warranty does not cover damage resulting from accident, misuse or abuse, lack of reasonable care, the affixing of any attachment not provided with the product, loss of parts or connecting the product to any but the specified receptacles. This warranty is void unless service or repairs are performed by an authorized service center.

No responsibility is assumed for any special, incidental or consequential damages. However, the limitation of any right or remedy shall not be effective where such is prohibited or restricted by law. Simply take or ship you AKG product prepaid to our service department. Be sure to include your sales slip as proof of purchase date. (We will not repair transit damage under the no-charge terms of this warranty.) Note: No other warranty, written or oral is authorized by AKG Acoustics, Inc. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages or limitation on how long an implied warranty lasts, so the above exclusions and limitation may not apply to you.
