

# Haunted Hill Farm™

Awaken the spirit of Halloween with this unique shadowbox from Haunted Hill Farm. You and your guests will be spellbound as orange beads cascade over a ghoulish grim reaper scene. White LED lights illuminate the flurry of polyfoam beads as hair-raising music plays along. Plus, the grim reaper's eyes light up red! Mount this sturdy frame on the wall or set it on the console table to create a one-of-a-kind eerie display everyone will love.

- Framed shadowbox with spooky music from Haunted Hill Farm
- Mount it on the wall or set it on a tabletop
- White LED lights illuminate the flurry of polyfoam beads
- Spooky music plays from built-in speaker
