

CL201AEWW

INDOOR EVAPORATIVE ROOM COOLER

The CL201AEWW is ideal for spot cooling in any home or office. An indoor room cooler, this portable, energy-efficient model is built to cool your small to medium rooms. Living room, bedroom, play area or office—the unit is lightweight and adapts for summer heat or winter dryness.

FEATURE-LOADED, POWERFUL AIR COOLER

A versatile performer, the CL201AEWW sports all the bells and whistles and more! Oscillating louvers distribute cool air quickly, an ice compartment for a colder breeze, three rhythmic wind modes, and a humidity control to regulate moisture output.
