

CL202PEU

PORTABLE INDOOR EVAPORATIVE AIR COOLER

The CL202PEU is ideal for spot cooling in any small to medium living space. An indoor room cooler, this portable model is built to cool your bedroom, living room, home office, covered patio, or garage with ease. This powerful energy-efficient unit easily adapts for summer heat or winter dryness.

FEATURE-PACKED FOR FULL COMFORT

A versatile performer, the CL202PEU boasts all the bells and whistles necessary for personalizing your cooling experience. Oscillating louvers distribute air to wider spaces, an ice compartment lets you add extra chill to your breeze, a humidification dial adjusts moisture output, and four fan settings enable you to customize your ideal cool.
