TP70AWKN

Smart Energy Star Qualified Dehumidifier
With Wi-Fi Connectivity & Alexa Voice Control

This powerful dehumidifier effectively removes moisture to protect walls, curtains, furniture and appliances.

A full tank alert and filter clean alert makes it easy to maintain. The water tank is equipped with patent-pending Splash Guards to avoid messy spills, and a drain tube is included for long unattended operation.

What's more? The Washable Dust Filter helps reduce dust in the air, and is easily cleaned under a faucet - No replacement filters required.

Wi-Fi Connectivity with Honeywell Smart Dehumidifier App

Amazon Alexa Voice Control

iOS and Android compatible

Product Dimensions (in): 12.4 (W) 15.7 (D) 25.4 (H)
Net Weight: 41.1 lbs
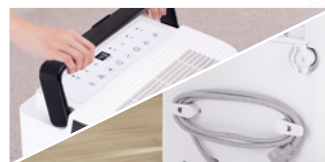

Versatile Digital Control with Mirage Display

Washable Dust Filter and Filter Clean Alert

Heavy-Duty Handle and Cord Winder

Amazon Alexa Voice Control

FEATURES & BENEFITS

Dehumidification Capacity
Previous Doe TestProcedure: 70 pints
New Doe Test Procedure: 50 pints#

Water Capacity
14 Pints

Power Consumption
5 A

Sound Level
52 dbA*

Easy Mobility

R32 - Eco-Friendly,
Non-Ozone Depleting
Refrigerant

Convenient Auto Restart
Feature In Case Of
Power Outage

Full Tank Alert System with
Automatic Shut-off

Low Temperature Feature
Automatic Defrost Control

Sleep Mode
