

TP70PWKN

Energy Star Qualified Dehumidifier

This powerful dehumidifier effectively removes moisture to protect walls, curtains, furniture and appliances. The built-in drain pump allows condensate water to be drained vertically or horizontally up to 16 feet away.

Enjoy the more versatile positioning of the dehumidifier where you need, while being able to pump water to a sink, drain or even a window. The Drain Tube is included for quick set up.

A full tank alert and filter clean alert makes it easy to maintain. The water tank is equipped with patent-pending Splash Guards to avoid messy spills, and a drain tube is included for long unattended operation.

What's more? The Washable Dust Filter helps reduce dust in the air, and is easily cleaned under a faucet - No replacement filters required.

Product Dimensions (in): 15.75 (W) 12.4 (D) 25.4 (H)
Net Weight: 41.8 lbs

Versatile Digital Control with Mirage Display

Washable Dust Filter and Filter Clean Alert

Heavy-Duty Handle and Cord Winder

Continuous Drain Option with Drain Pump

FEATURES & BENEFITS

Dehumidification Capacity
Previous DoE Test Procedure: 70 pints
New DoE Test Procedure: 50 pints*

Water Capacity
14 Pints

Power Consumption
5 A

Sound Level
52 dbA*

Easy Mobility

R32 - Eco-Friendly, Non-Ozone
Depleting Refrigerant

Convenient Auto Restart
Feature In Case Of
Power Outage

Full Tank Alert System with
Automatic Shut-off

Low Temperature Feature
Automatic Defrost Control

Sleep Mode
