

TP70WKN

Energy Star Qualified Dehumidifier

This powerful dehumidifier effectively removes moisture to protect walls, curtains, furniture and appliances.

A full tank alert and filter clean alert makes it easy to maintain. The water tank is equipped with patent-pending Splash Guards to avoid messy spills, and a drain tube is included for long unattended operation.

What's more? The Washable Dust Filter helps reduce dust in the air, and is easily cleaned under a faucet - No replacement filters required.
