

**JABRA PRO 900 SERIES**  
WIRELESS FOR EVERYONE.

The Jabra PRO 900 series is a professional entry-level wireless headset that offers all the essential Jabra headset features available in a MONO and DUO variant. The Jabra Pro 920/925 for deskphone users, and the Jabra PRO 930/935 for softphone users. Simple, intuitive and high quality, all in one wireless solution.

**SIMPLE, INTUITIVE DESIGN FOR FAST USER ADOPTION**

One base to show charged status, and one headset with duo\* or mono option, makes this easy to set up device an attractive solution for office workers and contact centres alike. The Jabra PRO 930/935 comes with five different ringtones, so employees will always know when it's their phone ringing—Crucial for today's open plan office environments and noisy contact centers.

**IMPROVE EMPLOYEE PRODUCTIVITY**

Walk and talk up to 350 feet\*\* away from your desk for improved collaboration, multi-tasking, and productivity.

**USER SAFETY AND CRYSTAL CLEAR AUDIO**

For all its ease of use the Jabra PRO 900 series wireless headset is still all about audio quality and user safety. Jabra SafeTone™ technology clips off loud sounds for extra hearing protection. This ensures employees are working within safe sound levels according to US regulations. Visit [Jabra.com/hearingprotection](http://Jabra.com/hearingprotection) to find out more.

**EASY TO DEPLOY AND MANAGE**

The Jabra PRO 900 series is optimized for use with all leading desktop phone systems and UC platforms. Compatible with Jabra Xpress you can future proof your headset investment with ongoing software updates to an infinite number of devices. Visit [jabra.com/xpress](http://jabra.com/xpress) for details!

\* Jabra PRO 920 and Jabra PRO 930 only.

**FUTURE-PROOF INVESTMENT**

**JABRA PRO 900 SERIES PRODUCT FEATURES**

**Crystal Clear Sound**

*Digital Signal Processing for clearer sound*

Clear sound is essential for a good conversation not to mention call efficiency and accuracy. Digital Signal Processing (DSP) in Jabra audio devices will remove background noise and echo as well as protect the user against sudden high peaks in volume. Call handling time and potential misunderstandings are significantly reduced.

**Remote Call Control**

*Seamless integration between your phone and headset*

Answer and end calls on the Jabra audio device with seamless integration between your phone and headset. The remote call control gives you the power to multitask and be productive. With a Jabra wireless audio device you can control your call even when you are away from your desk.

**HD Voice – Wideband Audio**

*High quality audio for crystal clear conversations*

Enjoy high-definition sound with HD Voice and get crystal clear, intelligible communication. You get life-like, vibrant conversations where you can focus on the content and don't have to struggle to understand what the person on the other end of the line is saying.

**SafeTone™**

*Enhanced hearing protection*

Jabra SafeTone™ includes Jabra PeakStop™ and Jabra IntelliTone™, the enhanced hearing protection technology. Benefit from clear, crisp and automatic limitation of average volume exposure during your workday according to acoustic standards and regulations. A feature that offers you significant confidence, safety and comfort while enhancing the quality of your communication.

**Noise Canceling Microphone**

*Reduces unwanted background noise*

Noise Canceling microphones reduce unwanted background noise and are ideal in crowded and noisy, open office environments.

**Talk in Comfort**

*Be kind to your ears*

Assure total comfort with a wide range of styles that match your individual needs and personal fit requirements. Our light, ergonomically designed frames along with soft ear cushions, adjustable headbands and microphone boom will guarantee that your headset will be comfortable all day long.

**VARIANT SPECIFIC PRODUCT FEATURES**

**BLUETOOTH MODELS**

**300 Feet Of Wireless Freedom**

*Hands-free communication up to 300 feet*

Featuring Bluetooth® Class 1, your Jabra device enables you to connect to a vast range of devices from smart phones and tablets to laptop computers. You get a wireless mobility up to 300 feet giving you full control of your hands-free Jabra voice solutions. You can call and multitask on your terms.

**Tap-To-Connect**

*Connects devices with a simple touch*

Near Field Communication technology (NFC) makes it easy for your Jabra device to instantly connect and interact with phones, tablets, and interactive tags. It requires no more than a simple touch. Just tap the phone and the Jabra device together and you are ready to talk or stream your music.

**12-hour Battery Life**

*Talk up to 12 hours with no battery life concerns*

A wireless audio device would not be a useful tool without an incredible battery life. Even with so much performance packed into such a small space, it still lasts up to 12 hours on a single charge. So you can talk and work as long as you want.

**Dual Connectivity**

*Manage all your calls from one single headset*

Dual connectivity technology lets you manage phone calls from several different audio devices, with one single headset. You get greater flexibility and enhanced user experience.

**DECT MODELS**

**350 Feet Of Wireless Freedom**

*Hands-free communication up to 350 feet*

Get wireless mobility up to 350 feet to fully control your Jabra hands-free solution with DECT technology. Answer calls, multitask and move freely around on your terms.

**8-Hour Battery Life**

*Talk up to 8 hours with no battery life concerns*

A wireless audio device would not be a useful tool without an incredible battery life. Even with so much performance packed into such a small space, it still lasts up to 8 hours on a single charge. So you can talk and work as long as you want.

**JABRA PRO 930/935 MODELS**

**UC Plug-And-Play**

*Plug-and-play with all leading UC platforms*

Jabra devices feature intuitive call control and seamless connection to all leading UC applications and softphones. They are easy to set up and easy to use, leaving you free from any installation expertise or extensive training requirement.
