The Jabra Engage 75
Engineered to be the world’s most powerful professional wireless headsets*

The Jabra Engage 75 is an entirely new class of DECT wireless professional headsets engineered to boost customer satisfaction.

Industry-leading professional wireless performance.
Better customer connections.
Provides superior wireless connectivity to a range of up to 150m/490ft, enabling 3x more users to operate in the same office space – with no loss in connection quality.¹

Crystal-clear calls. Enhance the customer experience.
Advanced noise-cancelling microphone and enhanced speakers deliver crystal-clear calls even in noisy offices. Meets Skype for Business Open Office requirements.²

More talk time, less interruption. Increase productivity.
Up to 13 hours talk time³ and a busylight that acts as a do-not-disturb sign for colleagues.

Any call, from any device. Increase availability for calls.
Connect to up to five devices simultaneously, increasing your team’s availability for customer calls. Can connect to 2 USB devices (softphone and/or desk phone), 2 Bluetooth® devices and 1 analog desk phone.

Choice of wearing styles. Support different workstyles.
With stereo, mono and lightest-in-category convertible models, there’s a Jabra Engage for everyone.

At a glance:

Datasheet
Jabra Engage 75

Getting started

First, connect the desk phone and PC cables to the base. For information on your specific phone, refer to http://www.jabra.com/compatibilityguide

Connect to power

Then plug the base into a power supply, and then scroll to the Setup Wizard in the menu. The Setup Wizard will help you connect to your computer, smartphone, or desk phone.
