MyHeat - GO Oscillating Ceramic Space Heater CD12100

With 1500-Watts of comforting warmth, you can customize your comfort with 2 quiet heat settings and an adjustable thermostat that maintains the room temperature while spending less money. The simple, front-mounted manual controls make this space heater easy to operate, while the widespread oscillation provides full-room coverage. This portable heater is ideal for tabletop use in the bedroom, living room, or home office.
