

Configuration:

LKS-8-A1 ListenTALK Portable ADA Kit 2

Product Overview:

Offer your clients, customers, and students a complete assistive listening solution wherever it is needed with the ListenTALK ADA system. The LKS-8-A1 meets all IBC and ADA requirements for rooms with a capacity up to 75. The portable system is easily transported and stored in its own carrying case and is ready to use in less than a minute.

From classrooms to conferences, boardrooms to houses of worship, the LKS-8-A1 gives you a complete package to begin offering on-demand assistive listening right away.

Highlights:

- Ear Speaker (LA-401), Battery (LA-365), and Breakaway Lanyard (LA-445-BK) included with each Transceiver (LK-1)
- Ear Speaker (LA-401), Battery (LA-365), and Breakaway Lanyard (LA-445-BK) included with each Receiver (LKR-11)
- The Assistive Listening Notification Signage Kit comes with one (1) hard plaque and one (1) static cling window sticker.
- Takes less than a minute to set up and use
- Simple user interface (no channel surfing)
- Easily portable in a small, compact case
