

Product Overview:

The Listen Everywhere LW-100P-02 is an affordable and reliable way to meet ADA & IBC assistive listening requirements for audiences of up to 1000 users. Connect to your existing Wi-Fi network service and stream directly to users through the free mobile app. Cloud-based management allows for simple management of the system, including updates and customization options. Additionally, in-app functions let you create custom welcome messages, videos, banners, and more, all providing another point of contact with your clients and customers.

*Custom solutions available upon request to accommodate more channels/users, email sales@listentech.com for information.

Highlights:

- Up to 1000 users
- 2 Channels
- Low Latency
- Uses Existing Wireless Network

Includes:

One (1) LW-100P-02 Listen Everywhere 2 Channel Server

Product Specification: Listen EVERYWHERE 2 Channel Server	
Interconnections
