

Product Overview:

This kit is for mounting Listen's LT-800 Stationary Transmitter, LT-803 3-Channel Stationary Transmitter, LT-82 Stationary IR Transmitter, and LR-100 Stationary Receiver/Amplifier. It allows for single mounting and dual mounting. Antenna kits for rack mounted units are sold separately. Contact Listen for details on which antenna kits are applicable for use with your transmitter's frequency.

Highlights:

- Single or dual rack mounting - one mounting kit does it all!
- Optional rack mount antenna kit makes remote antennas simple (LA-125 or LA-126)
- Comes with hardware for all configurations
- Will not mount with Plexiglass security cover in place or in dual rack mount configuration

Includes:

- One (1) LA-326 Universal Rack Mounting Kit
- One (1) Left side bracket
- One (1) Right side long bracket
- One (1) Right side short bracket
- One (1) Dual mount center bracket
- Ten (10) Machine screws
- One (1) Set of security cover hardware
- One (1) Plexiglas security cover
- One (1) Owner's manual
