

T5 Series

CONFERENCE TABLES

ULTIMATE SYSTEM RELIABILITY FOR AV TECHNOLOGY

T5 Series Conference Tables are the industry's only conference table designed to properly support AV technology for ultimate system reliability. Featuring attractive styles and finishes reflective of commercial interior design trends, the T5 Series offers discreet storage and care for AV gear within a beautiful furniture solution. Engineered with unmatched innovation and mounting flexibility, this pre-configured all-in-one furniture system includes power distribution, table boxes with connectivity and cable management.

FEATURES

- Each T5 solution includes a table top, support pedestals and a separately shipped Tech Kit that allows integration to begin immediately. The Tech kit is optimized for the designated table size and is comprised of the critical infrastructure that supports reliable AV systems:
 - Patent-pending swing-out pedestal rack can be located in the table pedestal of choice. Innovative flexibility for up to 3 RU of sideways rackmounting, small device mounting or a combination of the two. Includes two tool-free Lever Lock™ plates for mounting small devices
 - Wiremold InteGreat™ Table Boxes in black or silver with 2 retracting HDMI cables and 2 AC outlets for power and connectivity at the surface. Table boxes and cable retractors are concealed by the table's pedestal
 - Vertical power distribution
 - Cable Management strips with multiple tie points
