

SIMPLE, CONVENIENT FOOD STORAGE

14 Cu. Ft. Top-Mount Freezer Refrigerator

MRT14D3BST Stainless Steel MRT14D3BWW White

We designed our Top-Mount Freezer Refrigerator with convenient features like LED lighting that lets you quickly find what you're looking for and electronic controls that let you adjust the temperature with a single touch. Gallon storage on the door for easy retrieval of bottles. The Energy-Star, top-freezer design puts ice cube trays and frozen foods at eye level for easy retrieval. Plus it is ADA compliant, optimized for organization and access

Electronic Control

Quickly and easily adjust the temperature to your preferred setting.

ADA Compliance

Conveniently located controls, leading to more friendly and wider user experience.

Energy Star

Certified efficiency rating to save you money on your utility bills.

Gallon Storage in Door

Perfect for quick retrieval of milk jugs and 2-liter bottles while freeing up shelf space.

Garage Ready

Maintains stable and consistent temperature under extreme ambient temperatures— from 38°F to 110°F.

Ice Maker Ready

An optional ice maker* gives you all the clean ice you need without messy trays or costly bags.

*Optional. Aftermarket purchase required.
