WHS-384C1

Perfect for long-term frozen food storage, Midea Chest Freezers feature easy-to-clean interiors along with mechanical temperature control. A multi-angle hinge lock holds the lid open freeing both hands to move larger items. A removable wire basket puts frequently accessed items within easy reach and the airtight construction helps keep food frozen for up to 36 hours in the event of a power outage.

Garage Ready

Maintains stable and consistent temperature under extreme ambient temperatures— from 0°F to 110°F.

Removable Storage Basket

Keeps short-term stored items within easy reach while keeping things tidy.

Multi-Angle Hinge Design

Allows the lid to stay open between 45 and 75 degrees for easy packing and unpacking. You don't need to hold the lid up with your hands allowing you to pack and unpack faster.
