

Your evening is going to be lit, quite literally, with the Pasadena 30,000 BTU gas fire pit from Mod. Entertain friends and loved ones by the cozy glow of a fire, without having to chop a single piece of firewood. If you're not in the mood for a fire, use the included burner cover to convert your fire pit in a stylish table. The compact and clean gas fire pit is easy to use with push-button ignition and adjustable flame settings. Its modern design expertly conceals the fuel tank within its durable frame, but is easily accessible through a convenient access door. Created with all-weather materials, your backyard will be the neighborhood hot spot for years to come.
