

How do you like your eggs? Overwhelmingly comfortable? Eggcellent, then the Poppy egg chair from Mōd is for you. You'll find this egg is all it's cracked up to be when you sink in and relax into the plush cushions, supported by a sturdy yet stylish steel frame. The steel frame is powder-coated to resist rust and corrosion and the cushions dry quickly and maintain their shape, which makes this chair ideal for outdoor use in your yard or patio. While this high-quality chair was built for life outdoors, it works equally well indoors and can be the stylish accent that your living room needs. This deep-seated chair will soon be the root of all your relaxation and, thanks to its all-weather materials, it'll stay that way for years to come.
