

Go out to eat right in your own backyard with the Asher 7-Piece Dining Set from Mod. This classic collection of six stationary dining chairs and a 71-in. by 40-in. table is soon to be the hottest spot in the neighborhood. The dining table is spacious enough to handle everything from a spread of snacks for game day to holiday feasts. With clean lines and stylish, faux wood accents, the collection's aesthetic may be modeled after Mid-Century decor, but with all the modern advantages. Each piece is crafted using heavy-duty aluminum frames, powder coated to extend protection against rust, scratches, and UV harm. The faux wood grain slats are both a design feature and also prevent excess water build-up on the surfaces of the table and chairs. Made with all-weather materials, this set will be the focal point for friendly weekday get-togethers and sun-soaked family weekends for years to come.
