Design

## PROVIDE AN **IMMERSIVE** VIDEO EXPERIENCE

Be UC-ready in a flash by adding the ultra-high-definition Newline Modular 4K Camera to your Q Series display. The Newline Modular 4K Camera works with any video software including Zoom, Google Meet, Microsoft Teams, Webex, and more. With a wide-angle field of view, auto-framing, and tiltable camera design, you will be seen from anywhere in the room. Whether you're connecting to your remote students in your classroom or hosting virtual meetings with your team, the Newline Modular 4K Camera is here to boost your videoconferencing with style.
