CONNECT. CREATE. COLLABORATE.

SUMMER/FALL 2022

Process!

THE INTERACTIVE **ECOSYSTEM** FOR YOUR WORKPLACE

Newline bridges the gap between traditional office collaboration and virtual collaboration. This intelligent and flexible workspace helps you work more efficiently, faster and better. With the option to build your technology ecosystem or integrate with your current system—Newline streamlines your workplace technology.

We believe that truly impactful and innovative products should be easy for anyone to use. Each Newline product was purpose-built with simplicity in mind, making each interactive flat-panel user-friendly and completely non-proprietary.

The work landscape may have evolved, but our commitment to your success by providing solutions to your everyday needs has not changed. From our award-winning interactive displays and desktop devices, to our cutting-edge software and accessories—Newline is the premier technology partner for your business.

TRANSFORM YOUR WORKPLACE

Newline is a one-stop shop for business. Our all-in-one solutions and accessories give you all the innovative tools you need.

Newline focuses on creating products that help you work more efficiently. From our award-winning and easy-to-use interactive touch panels, to our innovative desktop solution and wide range of software, Newline has everything you need to bring in-person and remote work success into your business.

Easy for Anyone to Use

If a solution isn't easy to use, we won't bring it to the market. All of our products are designed with you in mind and it is the key to our success.

Completely Non-Proprietary

We work in your world. No matter what software or hardware you want to use, our solutions give you the freedom to collaborate how you choose.

Newline is Number 1!

Newline is the largest manufacturer of interactive displays in the United States. Our business model keeps us growing like none other.

Q3 2020 vs Q3 2021

***“We Help Your Business
Make an Impact”***

We Own the Factory

Newline has complete control over product improvements and how much is produced. We listen to our clients and their needs to make sure the products we provide help them succeed.

Well-Stocked Local Warehouses

With warehouses in strategic places across the country, Newline gets displays to their destination faster than ever with same and next day shipping. You’ll never have to worry about if Newline can fill an order.

Z Series

Built-in Mic Array

An integrated 8-microphone array with automatic gain control and echo canceling technology ensures a crisp clear voice transmission from anywhere in the room.

Modular Camera

The UC Ready Z Series comes with a flexible 4K modular, wide-angle camera with a 120° FOV can be tilted upward and downward within 15° to the angle that works for conference rooms of all sizes.

Eco-Friendly Proximity Sensor

Equipped with a Proximity Sensor, the display will sleep/reawaken automatically based on human presence in the room.

Redefine collaboration with the Newline Z Series, an ultra-high definition display that provides an immersive audio-visual experience for your meeting rooms and huddle spaces. The UC Ready Z Series comes with an onboard computer (OPS) and a flexible 4K wide-angle camera. Don't need an OPS or camera? Choose the non-UC Z Series and save.

Q Series

Your team has varying levels of needs, so naturally your office hardware must be equipped to meet that demand. Connectivity that matches your personal devices, displays to rival even the best televisions, and integration that makes for a seamless transition. Leverage the power of the Q Series for today's complex collaboration landscape.

Modern Connectivity

Avoid adapter mishaps and incompatibility. The Q Series has the latest I/Os such as USB-C (with power) and WiFi 6.

Embedded Whiteboard

Make the best use of virtual/hybrid meetings with a feature-rich whiteboard. Import docs, images, and videos in one app.

Newline App Store

Don't sacrifice the tools already in use. Download your project management, meeting, and news apps compatible with touch.

NT Series

Advanced Remote Control

Non-touch doesn't mean limited screen control. The provided double-sided remote is equipped with an air mouse and QWERTY keyboard.

Digital Signage Management

Save time with pushing out OTA updates, mass notifications, and rotating messages through remote display management.

OPS Computer Enabled

Upgrade your digital screen with an optional OPS on-board computer. Unlock exponentially more functionality when conducting meetings.

Newline also offers a non-touch display solution for your presentation halls and signage. Your office runs non-stop and so can your technology. The commercial grade design allows the NT Series to run continuously 24/7. Ensure the highest quality visual presentations and digital office signage with Newline's NT Series non-touch display.

ON-BOARD COMPUTERS

Plug & Play Computers for Your Display

Upgrade your operating system to a dedicated Intel-powered computer. Bypass connecting or casting a laptop with the integrated OPS. Fill your display's OPS slot with an on-board computer that brings you all the power of a desktop computer right to your display. As your organization continues to grow and demands more power, the OPS is easily swappable for a more powerful version.

SOFTWARE SOLUTIONS

Software to Transform Workspace

Newline's dedication to providing the complete solution to the workplace needs does not stop with the hardware. Our software solutions round out the ecosystem with tools that provide superior synchronous and asynchronous communication support.

Always evolving and always updating, many of these solutions are pre-installed on the Newline flat panels.

Talk with your Newlines Sale Manager to determine the best software package for your organization's needs.

All Newline Software Solutions are compatible with:

LAUNCH CONTROL

All-In-One Meeting Solution

- ✓ Walk up and start your meetings with a one-touch solution that keeps your computer and network secure.
- ✓ Easily access approved apps, view the room's calendar, and start a videoconferencing call - all with one button!

Launch Control supports:

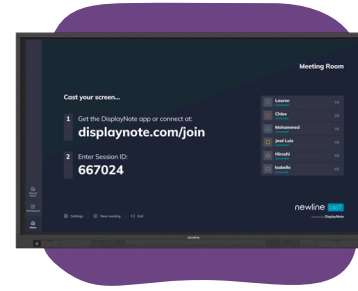

DISPLAY MANAGEMENT PLUS

Remote Management

- ✓ Centrally manage your Newline interactive displays from any location through a secure and dedicated web portal.
- ✓ Easily manage and deploy apps and configure Newline display settings.
- ✓ Use the digital signage features or broadcast messages to all displays.

CAST

Wireless Screen Sharing

- ✓ Easily share your screen from any device.
- ✓ Newline Cast is simple to use, with one click you can present wirelessly from any network.
- ✓ Control and annotate from the Newline display or from your own device all with the freedom to walk around the room.
- ✓ Present up to 4 screens simultaneously.

BROADCAST

Content Sharing

- ✓ Tap one button and share your display screen with team members who may not be able to see the display clearly.
- ✓ They can follow along on their own personal screen, reducing eyestrain and making sure everyone gets the most out of the meeting and presentation.

EMBEDDED WHITEBOARD

Expressing ideas made easy

Access everything you need to take notes, annotate during lessons or meetings, and more!

With an impressive set of new tools, you won't need another whiteboarding application to get right to work.

Complete everything in one app including importing and exporting the images, videos, and documents you need.

Infinite Canvas

Express all your thoughts with an infinite canvas and organize them with pagination.

Never run out of writing space - just scroll with your fingers and get started.

Split Screen View

Divide your screen into two unique sections of whiteboard. Have multiple people working at once, or take notes and create a to-do list without getting anything mixed up.

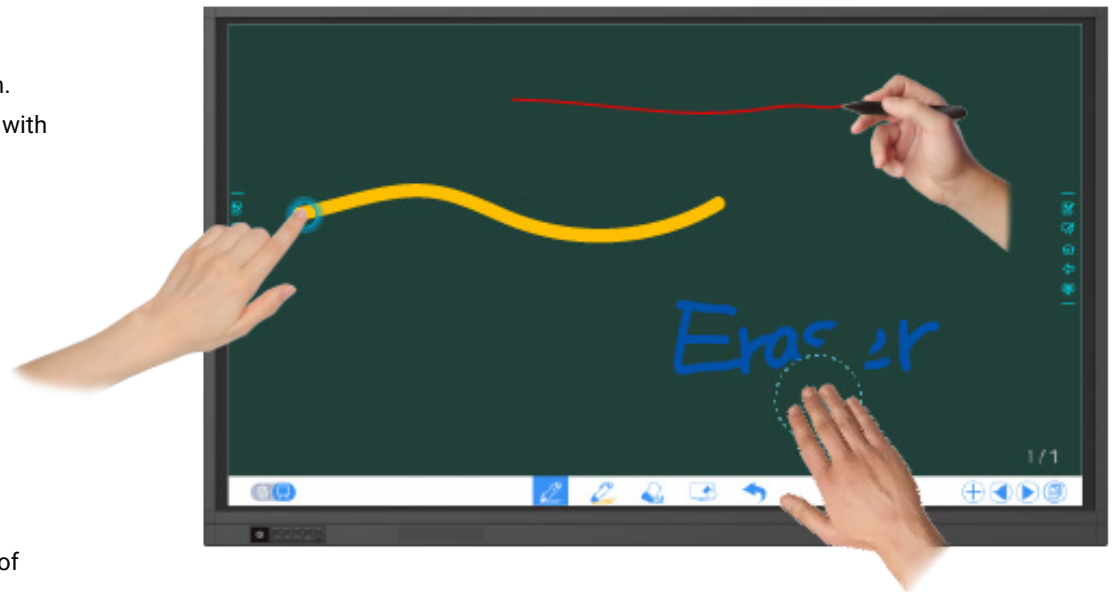

New Edit Tools

The embedded whiteboard adds a variety of new tools such as pen types, colored inks, sticky notes, framing designs, and background color to enrich your content.

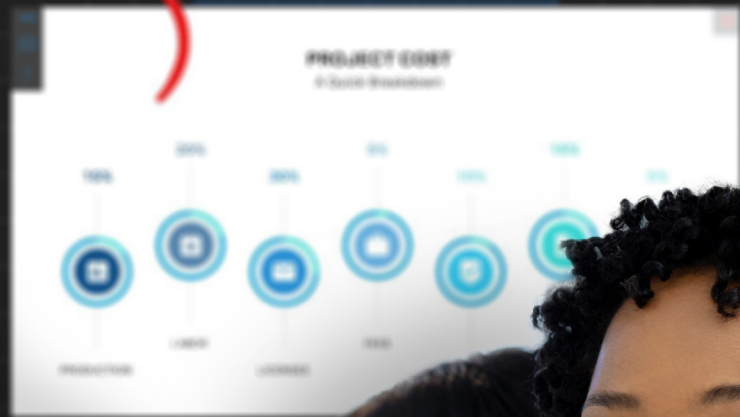

Google Integration + Single Sign On

Access content from Google and your cloud storage with a simplified single sign on system. Add images, open files, and save screenshots to Google Drive, Dropbox, and more!

Newline's embedded whiteboard also include:

- Object recognition technology
- Fluid writing experience
- Built-in, easy access web search
- Annotate over anything on the screen
- Easily insert images and screenshots

OUR SERVICE GUARANTEE

Newline's commitment to quality service and your organization's success extends past the initial purchase. We provide lifetime service, free training, and world-class technical support as well as a best-in-class warranty.

On Demand Technical Support

Newline provides continuous U.S. based technical phone support, email support through our Helpdesk Ticket System, and remote desktop support. You will always have access to answers at our online support knowledgebase. Proactively find answers, any time, with our completely comprehensive self-help system.

Training Geared Towards Ease of Use

Protect your investment through training and ensure staff are comfortable with the technology. Newline provides free, quality instructional training opportunities for all staff. The easier our display is for your team to use effectively, the more you can succeed.

Advanced Replacement Warranty

Newline has one of the best warranty programs in the industry. Not only do we provide 3-years of coverage, but it is an all inclusive advanced replacement warranty. That way your progress and productivity is not affected by technology defects.

Virtual & In-Person Demo Scheduling

Our training team works with your schedule and limitations. If you require someone to be onsite or virtual, our team makes it work! Simply select an available time on the online scheduler.

OUR PARTNERSHIPS

Newline is committed to providing the best user experience possible, which includes partnering with the best technology companies. We are proud to sell innovative products that incorporate their expertise to make interactivity easier than ever!

A Bundle for the Virtual World

Google and Newline worked together to create the Newline Chromebox A10, a Google-powered panel accessory.

Powerful On-Board Computers

Our OPS On-Board Computers come with powerful Intel processors, providing customers with an all-in-one computing solution.

A Bundle for the Virtual World

Microsoft Windows Whiteboard leverages the power of touch to bring lessons and whiteboarding sessions to life.

Logitech provides camera and microphone options that easily integrate with all of Newline's touch solutions

Newline and Crestron have teamed up to bring you the complete solution for your interactive display.

Clickshare is an agnostic meeting solution for starting video calls from your laptop, working with all UC clients, and instantly connects to RS+ Series panels.

Adjust your Newline display with BalanceBox's options for wall mounts and mobile stands, some even motorized.

The versatile, configurable and durable Anywhere Cart mobile stands provide high quality classroom solutions.

Enhance your Newline interactive touch display with a versatile Mooreco mobile cart solution to provide you mobility.

Provide financing solutions to your Newline customers through TEQlease, giving additional purchasing options.

FlatFrog's InGlass Technology powers several of Newline displays for a seamless and natural writing experience.

Keep your Newline displays safe with Jelco's padded display covers. Jelco is an established market leader and develops a wide variety of industry first products.

Free your Newline display from the wall by putting it on one of Conen's several mobile stand options.

Find a great, stylish AV setup with Salamander, who create a variety of mounting solutions to hold your display.

Peerless-AV provides industry leading fixed mount and mobile stand solutions designed to improve your Newline experience.

T1V provides a hardware wireless casting solution, along with other multi-touch applications that work with Newline displays.

FROM OUR CUSTOMERS

John O'Hara
Director of Technology
National Flight Academy

"The 28 Newline touchscreens have been instrumental in setting the immersive tone at the National Flight Academy. Our students depend on these touchscreens as they plan, brief and coordinate each of their missions. The National Flight Academy has been extremely pleased with their performance."

Tom Eifler, Jr.
President
Eifler Advisory Group

"With the whiteboard feature, to be able to actually talk about ideas and concepts, I feel like people are very visual, so if you can draw it out and show it to them, it really settles in and helps them understand."

Eric Matthews
Director of Information Technology
City of Allen

"Newline panels provide a consistent, high-quality conference room and video conference experience for our employees that is simple to use."

Jay Arbetter
Senior Vice President
UBS Financial

"Newline has significantly improved communication with our clients. The more clear our communication, the stronger relationships we build to grow our business."
