Charge It All

Wireless charging compatible with iPhone and Android Qi compatible phones.

USB and USB Type-C universal charging supports smart phones, iPad, wireless earbuds, smart watches, digital cameras, portable gaming and other USB compatible devices.

Stays in Place

Microsuction base holds Station C in place on the nightstand or desk without adhesive or screws— simply press it down to set in place.

When users are plugging in devices, Station C won't move around either. It stays put for hassle free one handed plugging and unplugging.
