Power, Full of Features

Charge It All

Wireless charging compatible with iPhone and Android Qi compatible phones.

USB and USB Type-C universal charging supports smart phones, iPad, wireless earbuds, smart watches, digital cameras, portable gaming and other USB compatible devices.

Two standard AC outlets for guests' laptop other high power adapters.

Stays in Place

Micro-suction base holds Station P2 in place on the nightstand or desk without adhesive or screws— simply press it down to set in place.

When users are plugging in devices, Station P2 won't move around either. It stays put for hassle free one handed plugging and unplugging.

Decor-Inspired Design Details

Color Ways

Offered in three unique finishes featuring a woven fabric charging pad or a wood grain laminate charging pad.

Woven Cord

Attractive fabric woven power cord exits nicely from the back and lays neatly in place.

Make it Yours

Custom printed cards on the charging tray are an ideal place to remind guests to download your mobile app, discover in-room features, promote hotel amenities and more.
