Optoma

OCH100
Optoma Collaboration Hub

- **Upgrade existing AV with smart functionality - Elevate your interactive and non-interactive displays**

- **Enhance your displays with OSS (Optoma Solution Suite) - Increase productivity and learning**

- **Streamline operations with OMS (Optoma Management Suite) - Control, monitor and diagnose your displays via the cloud**

- **Manage budgets - Upgrade displays without having to purchase new devices**

The OC Hub enables users to upgrade displays using Optoma's unique software, Optoma Solutions Suite (OSS) enabling collaboration, content sharing and file management. Also, with Optoma's Management Suite (OMS) users can control, monitor, diagnose and broadcast to Optoma devices or other existing displays.
