Kiosk
Solutions

Turn to the **only** single-source solutions provider.

Peerless-AV® makes the entire kiosk selection process cost-effective and easy. Our Kiosk Solutions Team is comprised of engineers, custom project managers, component and installation partners, as well as sales & service personnel. Whether you need a completely unique kiosk solution or a modified version of a standard kiosk model, this dedicated team of experts are there every step of the way to ensure every customer receives top-of-the-line product support and service from start to finish.

- Our **Kiosk Partner Program** gives you access to a wide range of the industry's best technologies such as displays, media players, software, cameras, content, and more.
- Our **extensive range of made-in-the-U.S.A. kiosk enclosures** are completely customizable with camera options, custom artwork, audio system, LED lights, card readers, printers, scanners and more.
- We have a **dedicated integration area** where we assemble components into one of our kiosk enclosures.
- We offer **direct shipment of one or more kiosks** to you or the installation site.

Outdoor Kiosks

Replace static signage with Peerless-AV® outdoor kiosks for greater public engagement and seamless updates of digital content whenever, wherever. With a focus on functionality and aesthetics, these outdoor kiosks are designed to be modern, approachable, practical, and endure the rigors of everyday use. Peerless-AV's all-weather rated kiosks are ideal for sharing community information, travel, and weather details, as well as wayfinding, advertising, entertainment, and more.
