Universal Swing-Out Wall Mount

FOR 55" TO 75" DISPLAYS

The Peerless-AV® Universal Swing-Out TV Wall Mount is an ideal TV mounting solution for rooms that would benefit from multiple viewing angles, such as hotel rooms, retail showrooms, or open concept living areas. The mount can be installed to open to the left or right, depending on the room layout. The book-style wall arm enables you to swing the TV away from the wall, allowing your TV to be mounted in one room and viewed from another area. Complete with internal cable management and security hardware, the HPF665 is the perfect TV mounting solution for any commercial or residential setting.
