IBA3-W

Recessed Cable Management and Power Storage Accessory Box

With the IBA3 Recessed Cable and Storage Management Box from Peerless, cables and cords become virtually invisible. When combined with a Peerless mount, the In-wall accessory box provides the perfect behind-the-screen solution to conceal unsightly power and low-voltage cables like HDMI or RCA behind flat panel displays, audio components or other devices. Complete with a receptacle knock-out for adding a duplex power module (not included), the IBA3 creates a professional look in any setting.

FEATURES

- Low-profile design fits behind the thinnest mounts and flat panel displays
- Component cables routed inside the wall
- Sleek design makes outside cable covers unnecessary
- Heavy gage cold rolled steel construction
- Cable ties and grommet included for an organized finish
- Installs between 16" (406mm) wood stud centers when positioned vertically
- Can be mounted horizontally or vertically for better positioning

Clean and Easy Cable Management
