IB40(-S)(-W)

In-wall Box
For up to 40" Flat Panel Screens

Designed to accommodate Peerless' small and medium pivot and articulating mounts, the IB40 In-Wall Box allows the display to be completely flush with the wall surface by recessing the mount and power cables into the wall. This In-Wall Box incorporated removable outlet receptacles and cable access plates inside the recessed area, making power and A/V connections a breeze. Enhancing ease of installation, flexible stud locating tabs adjust ¼-inch to accommodate stud placement. Featuring various height adjustment points for the mount ensures that this In-Wall Box delivers desired display positioning with ease.

Screen size: up to 40"   LB (KG) Max load: 80lb (36kg)

FEATURES

- Installs between 16" (406mm) wood stud centers

- Stud-locating tabs adjust ¼" (6mm) left to right to accommodate stud spacing

- Compatible with PA730, PA740, PP730 & PP740, sold separately

- Convenient installation of power and cables with removable outlet receptacle and cable access plates

- Height adjustment points in box to set screen in desired position

- Can be inverted to position screen to the right or the left
