

PLCM-2-UNL

## Flat Panel Straight Column Mount with Universal Adapter Bracket for 32" to 65" Flat Panel Screens

The PLCM-2-UNL Flat Panel Straight Column Mount with Universal Adapter Bracket provides maximum compatibility for plasma and LCD flat panel screens from 32" up to 65". Specially designed to include both shallow and deep brackets, this mount accommodates virtually all flat screens, even ones with a 'bump out' on the back. With ultra-reliable heavy gauge cold rolled steel construction it safely holds screens up to 200lb. And it does it in style with a black fused epoxy finish that gives the column a look that fits in any setting from bars and restaurants and hotels to transportation hubs to places of worship. Anywhere you need to install a flat screen from the ceiling, the PLCM-2-UNCL is the solution.

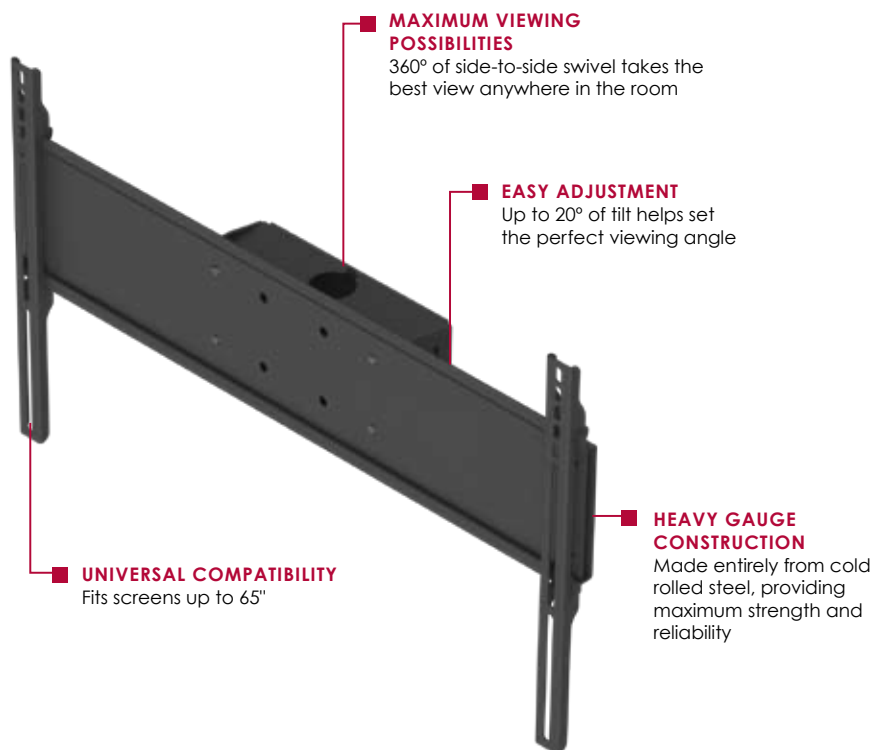

Screen size: 32"-65"

Max load: 200lb (90.7kg)

### FEATURES
