

PT650

Universal Tilt Wall Mount for 32" to 56" Flat Panel Displays

Easily install large displays with this simple, intuitive mounting solution. Its simple three step installation combined with its tool-less tilt angle adjustment enables flat panel displays to be installed and adjusted quickly. Cables and cords are easily managed behind the display with large knockouts in the wall plate. For perfect display positioning, center the display by smoothly sliding it along the wall plates horizontal rails.

FEATURES

- Universal mount accommodates displays with mounting hole patterns up to 738 x 449mm (29.04" W x 17.67" H)
- Adjustable 15° forward tilt and -5° backward tilt for finding the optimal viewing angle
- Easy-Grip™ ratcheting handle locks the display position into place
- Optional IncreLok™ feature offers fixed tilt angles of -5°, 0°, 5°, 10°, 15°
- Open wall plate design allows for greater access to electrical outlets and cable management
- Easy-Glide™ bracket design easily hook onto wall plate for a simple, safe and quick installation
- Horizontal display adjustment of up to 8" (203mm) for perfect display placement
- Mounts to wood studs, concrete, cinder block or metal studs (metal stud accessory required)
- Comes with Peerless-AV Sorted-for-You™ fastener pack with all necessary display attachment hardware
- UL listed
