Pivot Wall Mount
For 32”-50” Displays

Supporting displays up to 50” the SP746PU mount provides pivoting functionality for the viewing angle adjustment when full articulation is not required. This user-friendly and easy to install mount delivers one touch side-to-side swivel and tilting functionality that is complemented by its lightweight construction and intuitive three step installation process. Adding to its pivot functionality is the mounts clean aesthetic, contributed to by its cable management system that easily organizes and routes cables, focusing all the attention on the display. Designed and built in the USA.

**Features**

- Universal display adaptors provide compatibility with up to a VESA® 400 x 400mm mounting hole pattern
- Arm extends up to 12.55” (319mm) from wall
- One-Touch™ tilt allows adjustment of +15/-5° without the use of tools
- Up to ±90° of side-to-side swivel
- ±5° of roll to level display horizontally
- Integrated cable management keeps cables out of the way

The SmartMount® Pivoting Wall Mount shall be a Peerless-AV model SP746PU and shall be located where indicated on the plans. Assembly and installation shall be done according to instructions provided by the manufacturer. Mount is made of scratch resistant epoxy black finish.
