SMARTMOUNT.

Flat Panel Video Conferencing Cart

FOR TWO 40" TO 55" DISPLAYS

The SR555M SmartMount® Flat Panel Video Conferencing Cart has been designed to include all of the features you may need, making it perfect for any location. The mobility of the cart eliminates the need for multiple video conference systems, lowering your overall system cost. The structure is optimized to hold two 40"-55" displays, providing clear visibility for all participants. The camera locates anywhere above either display, for near perfect eye contact during your meetings. Additionally, the integrated cable management contains and conceals unsightly cables, helping you complete a clean and professional installation.

The mobility of Peerless-AV's video conferencing carts allows mobile video collaboration in your desired location.

Additional Features

- ✓ Display can be located anywhere along the column for perfect viewing height (up to 60" at center)
- ✓ Integrated cable management protects, contains and conceals cables for a clean, professional installation
- ✓ Maneuvers easily on 4" (102mm) swivel casters, two locking
- ✓ Fully welded base structure provides rigidity, stability and quick assembly
- ✓ Textured black powder coat finish helps to hide finger prints and dust
- ✓ Open frame adaptor design to help prevent display component input interference
- ✓ Shelf can be positioned anywhere along the column by simply lifting and repositioning
- ✓ Camera mount can be located anywhere above either display
- ✓ Universal mount fits displays with mounting patterns from 200 x 200mm up to 400 x 400mm
