	It's compatible with all gear shifters
	It's easy to install

Know how race cars have the gear shift next to the seat? That's the way it should be with sim racing. That's why the Playseat® Trophy - Gearshift and Handbrake Holder's right for you. It will help put you in the right position for a podium finish.

Be in control	Being in full control of your car makes all the difference as you handle the hardest corners like a pro. What you need in our humble opinion: the Playseat® Trophy - Gearshift and Handbrake Holder. Like in a real car, it puts your gear shift where it should be - right next to your seat. It's easy to install, and it offers you full adjustability and complete control to handle even the most intense racing sessions with ease. Do you prefer it on the left or right? Either will work. Find your perfect position, as the Playseat® Trophy - Gearshift and Handbrake Holder is compatible with all shifters.
