ITEM: 7170-1073

WEIGHT CAPACITY:
176LBS. | 79.8KG

Overcome ceiling menu board installation woes with Premier Mounts' easy-to-install 2x1 ceiling mount solution! Premier Mounts' innovative ceiling-mounted menu board solution is designed to support hanging displays up to 55". You can deliver a sleek, suspended presentation every time with this low profile.

FEATURES

- Can be scaled from 2x1 to meet your project needs
- Compatible with most displays up to 55", making it a versatile solution for any restaurant or business.
- Easy to install, Easy to Service
- Can be combined using SYM-IB-EXT to create longer menu boards
- Toolless X-, Y-, and Z-Axis adjustments
- Low-profile, lightweight design for easy shipping

CREATING A LARGER VIDEO WALL?

*Simply add **SYM-IB-EXT** extension bars and connect multiple Symmetry interface bars to create impactful displays to match your vision.*

This mounting solution is comprised of:

1 - Symmetry Interface Bar (SYM-IB-75B): Our unique horizontal extrusion design effortlessly aligns your display, ensuring a perfect level every time, even on imperfect surfaces.

2 - Symmetry Display Brackets (SYM-DB-FT[Pair]): Engineered for speed and efficiency, they seamlessly integrate with the interface bars, creating a rock-solid mount in minutes.

2 – Symmetry Pipe Adapters (SYM-PA): Our pipe adapters make ceiling mounting a breeze by easily adapting the interface bars to our 1.5" NPT ceiling pipes.

2 – Symmetry Pipe Adapter Covers (SYM-PAC): Conceals the mounting hardware, creating a clean, polished look that complements your décor.

CEILING SUPPORT AND SUSPENSION ADAPTER ARE NOT INCLUDED! Must be ordered separately.
