50 LBS / 22.6KG

## FEATURES

- Low-Profile base that can slide under carpet for a seamless look.
- Universal Compatibility: Includes UFP-280B and UFP-400 VESA adapter plates, accommodating displays with 200mm x 200mm and 400mm x 400mm VESA mounting patterns.
- Adjustable flat-panel placement along pole for perfect viewing height
- Built in cable management
- VPM Included

This all-in-one sales kit provides everything you need to create a sleek and functional display for your screens. The included PSP-BASE offers a low-profile design that can be easily hidden under carpet, keeping your presentation area clean and clutter-free. An integrated cable management system further minimizes visual distractions by routing cables out of sight.
