## DESCRIPTION

The MAG-PRO universal projector mount fits most projectors that weigh less than 10 lb. (4.54 kg). The integrated coupler attaches to a standard 1.5 in. NPT and includes a cable routing port. The patented MagnaGuide™ feature reduces installation time by using powerful magnets to easily guide the integrated pipe coupler to the mount. A safety lever locks the two pieces together securely. Radial Glide™ allows up to 10° of smooth tilt adjustment and a simple lock-down screw secures the adjustments. Lock-It™ security hardware is used at critical mounting points for a safe and secure installation. OSHPD approved and UL listed.

## FEATURES

- Integrated coupler attaches to standard 1.5 in. NPT and features cable routing port
- Patented MagnaGuide™ reduces installation time and aids in projector alignment (U.S. Patent No. 7,758,001 B2)
- Easy-to-install two-piece design
- Radial Glide™ provides smooth roll, pitch and yaw
- Lock-It™ security hardware and leveling barrel provide strong protection
- Mounting kit includes wood, concrete and steel stud attachment hardware
