ELECTRIC LIFT & TILT MOBILE STAND
FPS2/**ELT**/GG

Take control of creative, presentation and collaboration work spaces. Salamander's beautiful and highly functional FPS Series Mobile Stands offer superior ergonomics complimenting any touch screen display with improved productivity, unrivaled flexibility and lifetime value.

Get perspective with table mode, then use the electric lift to quickly focus on work in drafting mode then collaborate with presentation mode.
A stylish, sleek and compact design moves easily between spaces. A thoughtful range of accessories provides even more utility and an improved user experience.

- Mobile stand for interactive display / touchscreen panel
- Motorized electric lift and tilt and wired remote with independent lift/tilt control
- Compatible with most large displays including 70" Screens and Microsoft Surface Hub 2, see VESA pattern and weight limits.
- *Note: Some display panels are not designed for horizontal or drafting positions. Check display manufacturer for details.*
- Ergonomic design. Adjustable height and tilt positioning provides best possible ergonomics and viewing.
- Range of travel, Center of screen: Min - 33.33" (847 mm) and Max 58.92" (1497 mm)
- Superior mobility. High quality, commercial grade locking casters and integrated handles provide easy maneuverability and transport
- Fully concealed cable management allows clean and uncluttered installation
- Storage for electronic components, peripherals and accessories.
- Telescopic design allows compact position for transport and storage
- Durable construction. Made in USA of powder coated steel, Linak Motor components, Powder coated and/or veneered MDF panels
- Options available for peripheral equipment mounting, retractable cable reel, secure equipment storage cover, keyboard tray and more.
- Limited Lifetime Warranty
