

SALAV Ultimate 1800 Steam System, All-in-One Steam or Iron, STM-50 Rose Gold

The ST-50 Ultimate 1800 Steam System combines the pressing power of an iron with the gentle yet effective straightening power of steam. With an adjustable press board and rotating nozzle, this revolutionary ST-50 is the Ultimate Steam System. 1800 watts of steam combined with a heating system provides various types of straightening power from ironing to steaming. The adjustable press board rotates from 180 degrees horizontal to 90 degrees vertical and every angle in between to provide you with a strong, straight press surface. The ST-50 has an easy to fill, removable, translucent water tank with built-in handle and 1.2L capacity that provides over 30 minutes of continuous steam and heats up in a quick 60 seconds. The double insulated hose helps maintain steam temperature and regulate surface heat. Portable and versatile the ST-50 comes off the base for easy steaming around the home to disinfect or de-wrinkle drapes, upholstered furniture, pillows, curtains, linens, plush toys and more. Included accessories: Nozzle Cap, Nozzle Hanger, Collar Hanger, Metal Hanger.
